The above fees cover the entire bowling season, registration fee, shoe rentals and tax. The minimum amount that can be paid to register is the \$65.00 registration fee. Fees must be paid monthly or all in advance. Some months have more or less bowling weeks than others, in order to make monthly payments easier to plan for and track, the entire cost has been divided by the number of months the bowling season runs for. Fees are pro-rated for anyone joining after the 6th week of the season.
